As of 11/20/25

Mission Errata

Mission 1.0 Disposition of Forces:

- Hidden Placement reference should be 20.9 instead of 17.9.
- Americans set up north of hex row 9.

Mission 2.0

- Sector number in the original module I is incorrect. It should be sector 10 instead of 11. This was corrected in the Module I reprint.

Mission 4.0

- **typo:** should be MSR 3 instead of MSR 4.
- **MSR 2** The building hex B11 is excluded in regard to MOP *(Note: The building in hex B11 did not exist in the original module and should be ignored).*

Mission 5.0 Disposition of Forces:

- Hidden Placement reference should be 20.9 instead of 17.9.
- **Mission Objective:** Delete "in Sector 12" in second line.
- **MSR 2** The StuG activates with the 3rd Tank Plt.
- **MSR 3** has been removed in the Reprint.

Mission 7.0 Disposition of Forces: Hidden Placement reference should be 20.9 instead of 17.9. Delete MSR 2.

Mission 8.0 Mission Objective: If playing with sector 11 from module I reprint change Mission Objective to read: Mission ends if at the end of any game turn the Americans control 11 Building Points *[see MSR 1.0, Building Points]* out of the possible 13 in Sector 11, or when either side exceeds its Casualty Differential Limit, or when the Final Score is ≥ 51.

Mission 9.0 - Disposition of Forces: Hidden Placement reference should be 20.9 instead of 17.9.

Mission 10.0 Disposition of Forces: Hidden Placement reference should be 20.9 instead of 17.9.

Mission 11.0

- The American Infantry Companies should be Able and Baker instead of Baker and Charlie.
- **MSR 3, second line:** It should be J6 instead of A7.

Mission 13.0 American Force: There is only one 60mm mortar section (Able Co.) instead of two.

Mission 14.0 - Delete MSR 4.

Mission 15.0 Mission Objective: Add hexes C3 and E2 to the exclusion.

Mission 16.0 The Victory Level is reversed. It should read:

0 – 45 German Victory
46 – 55 Draw
56+ American Victory

Mission 17.0 Sector 16 (upper left). The sector number is correct. Its the image that is incorrect.

Mission 19.0 American Force: There should be three Airborne LATWs instead of two.

Mission 20.0

- Delete the reference to the German ***2nd FJ Plt*** having Coordination *(there is no other platoon of the same company to coordinate with).*
- German Force: Change ***1. SS Kp***., and ***2nd SPG Plt.*** to read: "Force B: ***1.SS Kp***, and ***2nd SPG Plt.*** *(4 StuG IIIG – 75mm)* supported by two MG sections and one 8cm mortar section [31 steps].

Mission 21.0

- **German Force:** Should be ***3rd TD Plt***. instead of ***1st TD Plt.***
- **Add MSR 9**. The British Fireflies are not in play.

Mission 22.0

- **German Reinforcement B:** There are 19 steps instead of 15 steps, and 40 total steps for the German Force instead of 36.

Mission 27.0

- **Mission Objective last sentence should read:** Final Score is > 41 instead of Time Lapse ≥ 41.
- **MSR 1:** The text regarding the half hexes that are out of play is correct. The shaded areas should be on the right and left sides of the map instead of on the top.
- **MSR 2:**
  - The first sentence should read: On the first turn only and prior to entry, the American player performs and immediately resolves a mortar barrage consisting of two separate hexes.
  - The last sentence should read: "Both MFAs are resolved during the Fire Resolution Phase of the first game turn against any Hidden German units (per 20.9.2c) in an impact hex."
- **German Setup now reads:** "The German player sets up first and all German squads begin play Deployed *[10.3.2]*. At least six steps of combat units must set up in hex row four *(i.e., Main Line of Resistance)* with no more than one step per hex. Units not setting up in hex row four set up Hidden in hex rows five and six. The Panthers set up Hidden in any of the six Orchard hexes."

Mission 29.0 MSR 3 should read: Hedgerows (4.1.8.1) and Sunken Road (4.1.9.1.1)…

Mission 30.0 MSR 5: Second sentence should read: The 1st Tank *platoon* cannot Adhoc…

Mission 32.0 Last sentence should read: In addition, units defending in the Fortress against small fire receives a net -4 TEM and the FlaK unit defending against anti-tank fire receives a -4 ATDRM instead the -2 ATDRM listed in 11.5.4j.

Mission 39.0 In the narrative it should be the US 43rd Infantry Division instead of 34th.

Mission 40.0

- Initiative DRM should read: Japanese +2 [see MSR 8]
- MSR 3: It should be hex F13 instead of F0.
- MSR 5: Reference # should be [17.4]

Mission 42.0

- **Coordination:** Change American (+3) to US Marines (+3)
- **MSR 5:** Change Jungle Road hexes to Jungle Road and/or Path hexes.

Mission 43.0

- **Opening Narative:** Delete Hurtgen Forest *(This mission did not take place in the Hurtgen Forest).*
- **German Force should read**: Fallschirmjager Kp ***1st Plt,*** *(5 steps)* and ***3rd Plt*** *(4 steps)* supported by one MG section [10 steps].

Mission 44.0 German Force: The JgdPz 38t is from the ***3rd Plt.,*** 1. SPG Kp.

Mission 48.0 Note the FBEs are reversed on the Mission Card. The Russian FBE should the top map edge and the German the bottom map edge.

Mission 49.0 MSR 1 second line should read: A1 in sector 49.

Mission 50.0 Russian set up third line: should be "black circles with white numbers".

Mission 52.0

- **Elite:** Use the German Elite counters for the *1. Pz Gr. Infantry Kp. (Elite)…"*
- **German Force:** Delete Reinforcements – they do not exist.
- **MSR 3.** – should read: "German Pz Gr. Infantry Kp"…
- **MSR 4**. – Bridge is destroyed if the die roll is ≤ 7 instead of 5.
- **MSR 10**. Change to read: Russian units that begin play in sectors 51 and 52 may not exit the sector they setup in until the game turn a German unit ends its action in sector 51.
- **Delete MSR 13**.

Mission 54.0 Russian Force last sentence should read: "82mm mortar platoon".

Mission 55.0 Russian Disposition. The last sentence should read: "The remaining units may set in any hex adjacent to a unit of either company provided the adjacent hex is south and east of the line running from B1 to B6 to J10.

Mission 64.0 British force calls for 6-pdr AT guns of there are only 4 in the Regular Infantry mix. Select 2 of the British Airbourne 6-pdrs AT guns for the other 2.

Mission 59.0

- **Disposition of Forces should read:** *German:* The Germans set up first Hidden, in any hex of sector 12 north of hex row I and south of hex row A.
- MSR 1: It should be Canadian C Infantry Co.

Mission 61.0 MSR 4 should read: … provide a +2 AVM instead of the normal +1 for a Defender in a Rural Building Hex.

Mission 62.0

- **British Disposition of Forces:** Deleted the Exceptiom.
- **MSR 1:** Added the following note to end of MSR 1: *[Note: in this mission, vehicles are allowed to enter these hexes – this is an exception to 4.1.6b].*

Mission 63.0

German Dispostion: Add as last sentence to the German Disposition: The FlaK guns are considered in a fixed position and cannot be moved during the mission.

Mission 64.0

- **Canadian Disposition:** The Canadians cannot set-up in hex E10 in sector 3.
- **German Disposition:** German reinforcements enter play in hex A7 on the road…

Mission 65.0 The German Victory Condition should be 0–55.

Mission 67.0 MSR 4 should read: All Canadian non-vehicular units are Elite. Use the Airborne counters for all non-vehicular units.

Mission 69.0

- **German Forces:** There should be three PaK 40 AT guns instead of two and two LATWs instead of three. [NOTE: There are only four German SS MG sections (dark Gray) in the counter mix. For the fifth MG section, use a select one at random from the regular MG sections].
- **German Disposition of Forces:** The reinforcement reference MSR 6 should be MSR 8.

Counters:

- **Fortified Positions SAV Range [1.8.1]:** The range of an FPs SAV is no longer underscored and therefore the SAV is now subject to any range modifiers. Replacements for the German FP counters will be included in the upcoming British Module.
- Japanese MG section #4: the SAV/Range is missing. It should SAV of 1 and range of 10. *Replacement was included in the Russian Module.*
- The Illumination Marker: Should be ≤ 5 instead of 6 and the radius should be 2 instead of 5 as per the rules. *Replacement was included in the Russian Module.*
- The four American Trucks are incorrectly marked as Disrupted. Trucks do not Disrupt. *Replacements were included in the Russian Module.*
- One of the American Jeeps with an ID 2 should be a 1 instead. *Replacement was included in the Russian Module.*
